Pikes Peak Regional Communications Network

Procedure 01-2001	**Adopted:** June 6, 2001	**Approved by:**

STANDARD OPERATING PROCEDURE: <u>The Emergency Alert Function</u>

DATE: June 6, 2001

PURPOSE: To provide specific procedures for monitoring and use of the emergency
alert function of all PPRCN trunked radios.

SCOPE: All personnel carrying radios operating on the PPRCN network.

PROCEDURE:

All Trunked radios on the PPRCN system will be programmed to have their Emergency
Alert status transmitted to a designated monitoring Communications Center.

Emergency Alert notification groups and monitoring Communications Centers are as
follows:
